(excused absence: Rachel Bush, who is having a baby any day)

April Meeting Notes were read by Karen and approved unanimously. Moved by Linda, seconded by Karen.

Melissa reported that the Azalea 5 K in University Park was a success and a good opportunity for our CERT to help out.

Mark reported on his Red Cross Shelter Training last Saturday, sponsored by OEM. There's a lot to learn about emergency shelters; contact Mark for more info.

Danielle is attempting to get at least one designated shelter in Mount Rainier, where there is currently none.

Danielle will be doing an emergency management presentation about our CERT website in Ocean City this summer during the Municipal League gathering.

Mount Rainier Day this Saturday, May 18, at the Nature Center beginning at 11am. We have volunteers for our table for the duration and will be handing out safety literature, mini first aid kits, water, coloring books. We will stage some first aid 'games' and will hold a raffle where the winner gets a FIRE EXTINGUISHER!

Debbie will create a flyer to advertise Mount Rainier Day at Rainier Manor I and II.

Mount Rainier Elementary School Carnival is May 31, starting at 5 pm. CERT will be doing activities similar to Mount Rainier Day, including a CPR awareness demonstration (not a training).

The meeting ended with packing up the goods for Mount Rainier Day.

Adjourned at about 8:30 pm.
